Introduction:

The Government of Karnataka has constituted the Karnataka Text Book Society (herein after referred to as the KTBS) under the Education Department to provide text books to students of all government schools, aided schools and un-aided schools in the state. The cost of printing and supplying the text books is met by the Government of Karnataka. 2. Web off-set printers located within the states of Karnataka, Tamil Nadu, Andra Pradesh and Kerala, who satisfy the conditions in this RFP are eligible to bid for any or all the packages in annexure A to the RFP. However, sheet offset printers located within the above said states having more than one sheet fed offset printing machine are eligible to bid only for any or all the 64 work packages enumerated at serial numbers 20 to 310 of Annexure-A to this RFP and printers having only one sheet fed offset printing machine are eligible to bid for any or all the 54 work packages at serial numbers 30 to 310 of Annexure-A to this RFP.

3. A sheet fed offset printer is entitled to only one work package. A printer having more than one web offset printing machine conforming to the specifications prescribed in Part-2 of the RFP is entitled for more than one work package subject to the conditions in clauses 4 to 7 below, but not more than 3 work packages, at the rate of one work package per machine, provided the bidder is the least bidder in respect of those work packages.
4. If, a sheet offset printer in his bid quotes the least rates (L1) in the financial bids of more than one package, then within the next 48 hours of opening of the financial bids, a sheet fed offset printer will have the option to select one among them. A web off-set printer may bid for both the parts of the same title combined together i.e. WP-A and WP-B, which will be treated as one work package. If the combined bid of a web offset printer is less than the total of the individual bids of the sheet off-set printers for WP-A and WP-B in respect of the same title, then the bid of the web off-set printer will be considered as the least bid i.e. L1 bid.
6. A printer with single or double colour sheet fed or web offset printing machine is eligible to bid only for titles requiring single colour i.e. black & white printing.
7. When a bidder, who has quoted the least rates for more than one work package, is selected to execute one or more work packages among them as per his option or otherwise and gets excluded from the rest, the bidder who has quoted the next lowest rate (L2) will get the right to carry out the work from which L1 is excluded, but at the rate quoted by L1 and if L2 were to refuse the offer, then L3 will get the right to carry out the work from which L1 is excluded, but at the rate quoted by the L1. However, in such an event, if L2 and L3 both were to refuse to carry out the work at the rates quoted by L1, then the L1 bidder will be entitled to get that as an additional work at the L1 rates quoted by him, provided L1 bidder has more than one sheet fed or web offset printing machine of the prescribed specification as in part-2 of this RFP. But in case of web offset printers the total number of work packages assigned shall not exceed three.
8. The texts to be printed, the format, pictures and the design of the books to be printed will be provided by the KTBS to the successful bidders. The proprietary rights of the text books will be with the KTBS. The KTBS shall be the publisher of the books.

Proof of the same shall be produced along with the report about procurement and storage of the paper, to the KTBS, before the actual printing commences.
15. Within 15 days of receipt of the work order, the successful bidder shall procure and store at least 1/3 of the paper required for printing all the books entrusted to him, and make available of the same for inspection and quality testing to the KTBS. 16. The successful bidder should commence the actual printing within three days of communication of acceptance of the quality of the paper procured and stored, by the KTBS.
17. Before moving any printed textbook from the place of printing for delivery to the DDPIs, the successful bidder shall intimate the KTBS so as to facilitate the KTBS to pick samples at random for testing the paper quality, printing quality, ensuring size of the books, colour registration, quality of binding etc. Only upon clearance in writing by the KTBS, the bidder shall move the printed textbooks to its destination.
