## **DISTRIBUTION OF PROGRESS CARDS**

Progress cards are being issued in the schools itself, with an aim of:

- a) Bringing to the notice of the parents the qualitative improvement in children
- b) Providing remedial measures for those lagging behind in learning achievement

Issuing progress reports to all the children from I st to VII standards is an important step. It may be noted that this practice was in vogue only in the private schools, not in government institutions.

During the current year, the following types of progress cards are being issued and Rs.9.00lakhs has been utilized for implementation of this scheme.

### **1) Progress cards based on competence:**

Based on the relevant competence and standard, progress cards are being issued to students in I to IV standards. This will enable the parents to know exactly where the child is lagging behind. This will also facilitate remedial action.

### **1) Progress card based on marks from V to VII Standards**

All the students in these classes are being issued progress cards based on marks.

In order to enable the parents to know how the child is progressing, three-year cumulative progress cards are being issued.

## **COMPULSORY AND COMPREHENSIVE INSPECTION**

For the proper implementation of the program, regular attendance of teachers and improvement in the quality of their work, a comprehensive and

mandatory school inspection is necessary. This also helps in enhancing the achievement of the students.

For the year 2005-06 under the state plan Rs 35.29 lakhs were released towards 21 drivers salary for the newly creased BEO offices and salary of managers .Rs 4.71 lakhs were provided for the purchase of Rysograph machine for the Commissioners office.

### **MOBILE SCHOOL**

In order to provide more educational oppotunities to children from slums, who are deprived of schooling facilities or dropouts, a mobile school was started during 2001-2002.

In the beginning there were 4 mobile schools operating which has been increased to 8. They pick up the children from the slums and classes are held inside the vehicles. The objectives are:

a) Providing basic education to children from the slums and children of building construction workers in a pleasant atmosphere.

b) Bringing these children to mainstream schooling and promoting the habit of going to school. The school timings are from 8.30 am to 2.30 pm. Rs 25 laksh have been allocated towards maintenance of mobile schools for the year 2005-06. Nearly 475 to 526 drop outs are being mainstreamed through these schools.

## **POLICY PLANNING UNIT**

Policy Planning Unit (PPU) has been setup to serve as a 'think-tank' to help in managing and evaluating educational macro-planning at state level and the micro-planning at district, block and habitation levels The PPU has three broad areas to consider while working on excellence in education.

- Administrative and Technical Capability
- Academic Capability
- Social/ Community Mobilization Capability

Policy planning unit assists the department in planning the policies and accordingly department plans the annual work. PPU was functioning in DSERT from 2003 and presently it is situated in the Office of the Commissioner for Public Instruction.

Work carried on by the unit is as follows:

- Guidance for the perspective plan prepared by DIETs
- Preparation of State Teacher Education perspective plan
- Study on SDMC's
- Evaluative study on Akshara Dasoha, Mahiti Sindhu, Free text books, etc
- Report on Trimester for the year 2004-05
- Consolidation of school drop outs data to SSA
- Institutional set up study was undertaken and based on the output officers were contacted and reality status finalised
- 485000 US dollars have been allocated towards projects
- Developed training module to train DIET Staff
- Technical assistance is provided for DSERT in evaluation of DIETs and CTE's.
- Computer training is provided to 900 officers of the department
- Accelerated reading program by Akshara Prathistana evaluation is carried on through Bangalore urban DIET

Action plan for the year 2006-07 is planned and activities will be carried on accordingly

### **SAMUDAYADATTA SHALE**

The government has launched 'Samudayadatta Shale' (School approaching the community) programme to bring the schools closer to the community and to create a sense of ownership and responsibility towards the schools.

Under this programme each month, the Hon'ble Education Minister, Education Secretary, the Education Commissioner, all officers of the department teachers of high school and primary school halt in villages and hold discussions. They also interact with the community and parents in order to create awareness on education matters and issues, so as to improve the quality of education, admit children and provide basic facilities to the schools. This programme was started in November 2000. It is very effective in mobilizing community and bringing awareness about quality education and demand for equity education.

### **SCHOOL ADOPTION PROGRAMME**

It is difficult for the government alone to provide all basic necessities to the schools, given resource constraints and limitations. Hence, in order to improve both the infrastructure and the quality of teaching in government schools, the "School Adoption Program" was launched. This was well received in many quarters. Many companies, corporate entities and individuals have come forward to adopt and improve the facilities in government schools. So far, individuals, NGOs and other undertakings have adopted more than 9226 schools and Rs. 200 crores has been mobilized under this program.

### **EDUCATIONAL INTERACTION**

With a view to provide an opportunity to parents and to the general public to interact with the Hon'ble Education Minister, "Shikshana Samvada" programme is being broadcast on radio & T.V every month. This provides an opportunity to the public to suggest measures directly to the minister so as to bring about qualitative

improvement and changes in education and also to create awareness among the masses about the necessity of education.

### **SHIKSHANA VARTHE JOURNAL**

The Department of Public Instruction has been publishing this journal for the last two years. Until July 1999, this was published bi-monthly. However, to accommodate more information, the number of pages in the journal was increased from 4 to 20 during 2001-2002. It was also changed from a bi-monthly to a quarterly journal.

News in this journal include reports pertaining to the department, Government orders, information about teaching practices, experiments in reputed institutions, achievements of teachers and students. Articles by experts and information deemed useful for teachers are also incorporated. During the year 2005-06 SSA meets the publication work and expenditure.

### **SARVA SHIKSHA ABHIYAN – KARNATAKA**

#### **A Brief Report of the year 2005-06**

## STRATEGIES FOR QUALITY IMPROVEMENT

Universalisation of quality education is one of the goals of SSA. Nevertheless, access, enrollment and retention are very much near the desired level; the quality of achievement is a matter of concern. Realizing this, focus has been given to the elementary education of satisfactory quality with emphasis on education for life. In this direction the capacity of the teachers has to be increased so as to make the learning process of the children more effective. In this background various inservice training programmes were conducted as here under.

### ◆ General Areas

- Multigrade and Multilevel Teaching
- Theater in Education
- Chaitanya Tarani (Development of TLM)
- Computer education
- Integrated Education for Disabled
- Technology in Education
- Action Research
- Text Book Analysis

### ◆ Community Mobilization Area

- Ba Bale Shalege (Girls' Education)
- Health Education
- SDMC Training
- Training for Gender Sensitization
- Training in Life-Skills
- Headmasters' Training (Attitudinal Training)

- Designing experience sharing works shops.

◆ **Pedagogic Areas**

- Chaitanya-1 (for Lower Primary Teachers)
- Chaitanya-2(Kannada,Urdu,Marathi,Science/Maths/Social Science/English)
