23 Evaluation and Comparison of Tenders

F.AWARD OF CONTRACT

25 Post qualification

- 25.1 The Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive tender meets the criteria specified in ITT Clause 11.2 and is qualified to perform the contract satisfactorily
- 25.2 The determination will take into account the Bidder's financial, technical and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITT Clause 11, as well as such other information as the Purchaser deems necessary and appropriate.
- 25.3 An affirmative determination will be a pre-requisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's tender, in which event the Purchaser will proceed to the next lowest evaluated tender to make a similar determination of that Bidder's capabilities to perform the contract satisfactorily.

26 Award Criteria

- 26.1 Subject to ITT Clause 28, the Purchaser will award the contract to the successful Bidder whose tender has been determined to be substantially responsive and has been determined as the lowest evaluated tender, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.
- 26.2 Ordinarily, in respect of Package-1(P1), the lowest bidder (P1/L1) shall be declared the Selected Bidder. Thereafter, the bids in respect of Package-2 will be taken up for consideration. If at the end, no qualified bidder is willing or is available to match the price of the (P1)(P2)/L1 bidder, then the purchaser may at its discretion, call for a fresh tender only with respect to the said package.
- 26.4 In the event, the Financial Bids of 2 (two) or more bidders in a particular package, who are qualified and whose Technical Bids are at par, are the same (the "tie bidders"), the Purchaser shall at its discretion:
- (a) Either hold an *inter se* auction amongst such tie bidders on E-procurement portal to quote further lower bids and shall declare such of them who has offered the lowest bid in

such auction to be the Selected Bidder. Bidders' representatives who choose to attend the Financial Bid opening should therefore be duly authorized to participate in such auction. In the event, a tie bidder is not represented on the Financial Bid opening date or the authorized representative of such bidder does not or is unwilling to participate in such auction, the auction would be held amongst the remaining tie bidders and if there be only one remaining tie bidder, the latter will be declared as the Selected Bidder provided that such remaining tie bidder offers a lower bid than that already offered in its Financial Bid. In the event the lowest bidder withdraws or is not declared as the Selected Bidder, the Purchaser may invite fresh bids for the package; or

(b) Split the package between all the L1 bidders at the L1 price in equal quantities; or

(c) Invite fresh bids, without holding any *inter se* auction amongst such tie bidders or splitting the package in question.
