

Introduction

Samagra Shikshana Karnataka (SSK), the integrated scheme of School Education, addresses the issues of equity and quality of teaching-learning in more than 70,000 Government schools in the State from pre-primary to pre-university levels. The interventions under the scheme include learning enhancement programmes, student and teacher motivation programmes and creation of supporting infrastructure. SSK is also an important platform for improving digital, inclusive, vocational & girl's education in the State.
