Marks entered by the candidates for the qualifying examination is more than the maximum marks of the said examination.

These candidates are advised to approach respective DDPIs with their original documents. While verification, if the genuineness of the documents/claims is proved, final marks will be generated and their position in the respective rank lists will be indicated. Accordingly, the final rank list will be published making necessary changes in the provisional rank lists.

Marks entered by the candidates for the qualifying examination is more than the maximum marks of the said examination.

These candidates are advised to approach respective DDPIs with their original documents. While verification, if the genuineness of the documents/claims is proved, final marks will be generated and their position in the respective rank lists will be indicated. Accordingly, the final rank list will be published making necessary changes in the provisional rank lists.

Marks entered by the candidates for the qualifying examination is more than the maximum marks of the said examination.

These candidates are advised to approach respective DDPIs with their original documents. While verification, if the genuineness of the documents/claims is proved, final marks will be generated and their position in the respective rank lists will be indicated. Accordingly, the final rank list will be published making necessary changes in the provisional rank lists.

Total Pages 31 / 31

Marks entered by the candidates for the qualifying examination is more than the maximum marks of the said examination.

These candidates are advised to approach respective DDPIs with their original documents. While verification, if the genuineness of the documents/claims is proved, final marks will be generated and their position in the respective rank lists will be indicated. Accordingly, the final rank list will be published making necessary changes in the provisional rank lists.
